* Some of the info is from 'Ancient Hebrew Lexicon of the Bible' by **Jeff A Benner**.

Explanation

Summary

Name: *Hhets*

Pronunciation: *ch* as in Bach

Picture: Picture of a tent wall

Meaning: Protection, Divide, Half, Outside

Numerical Value: 8

The **eight letter** of the Ancient Hebrew Alphabet is **Hhets**, and in Modern Hebrew it is called - **Hhet**. The Hebrew word *Hhet* means *Fear* and the word *Hhets* means *Wall*. Thus we can conclude that the original name of the letter would more likely have been *Hhets* rather than *Hhet*.

Hetts

The picture represents a **tent wall**. A wall **separates** the **outside** from the **inside**, it **protects** the occupants from the elements outside and walls are used to **divide** and **half** houses into certain areas.

Hhets is spelled with a *Hhets* + *Tsad*. This Hebrew word means divide, wall but can also **mean arrow, as an arrow divides the flesh**.

The numerical value of *Hhets*

*Some of the content is from the book *'The ultimate guide to understanding the dreams you dream'* by Ira Milligan.

The **numerical value** of the letter Hhet is **8**.

8 is mostly considered to refer to a **new beginning**. This is true but *new beginning* is more of an applied meaning.

The root meaning of the number 8 is to **put off**.

Circumcision is supposed to happen on the 8th day after birth (Gen17v12). Paul explains the meaning of circumcision in **Col 2v11** *"In whom also ye are circumcised with the circumcision made without hands, in **putting off** the body of sins of the flesh by the circumcision of Messiah."*

A baby is not really making a '*new beginning*' on the eight day, but it symbolizes **the covering of his flesh** being **put off**.

This view is also confirmed in **Ex 22v30** where we see that YHUH allows the newborn offspring of sheep and oxen to stay with their mothers for seven days... on the eight day they are to be sacrificed.

So **8** can also mean new beginning. If we put off the old man on the eight-day, we start a new beginning as one who walks in covenant with YHUH.

The last feast of the year is Sukkot, which lasts 8 days. Sukkot will be fulfilled when Messiah comes to dwell with us permanently. So it symbolizes the old earth being **put off** and the **new beginning** of the new millennium.

The number **40** is usually associated with the **Bride** and **trials and testing**. **40** Actually stands for **acceptable**. So it is definitely a number that can be associated with the Bride, because she needs to be pure and acceptable for the Messiah.

$40 = 5 \text{ (Grace/Serve)} \times 8 \text{ (put off/new beginning)} = \textit{those who have completely put off their old man (sin) through grace will be found acceptable.}$

How does it connect with the *letter Hhet*? If we think again of the example of the circumcision, then one can say that the flesh is **divided** and that you choose to **divide** your sin nature from your spiritual man.
